

**Driving instructions from Denver International Airport (DIA).**

- Peña Blvd. west to E470 (toll road).
- E470 North to I-25.
- Continue on I-25 north to Prospect Road (exit 268).
- Turn left and head west (toward the mountains) 4 miles to College Ave.
- Turn right on College Ave. at the Taco Bell and quickly move to left lane.
- Turn left at first traffic light, Pitkin St., and head west.
- Immediately after the railroad tracks, turn right on Mason St., and continue north to stop sign.
- Turn left on University Ave., continue past the stop sign at East Dr.,

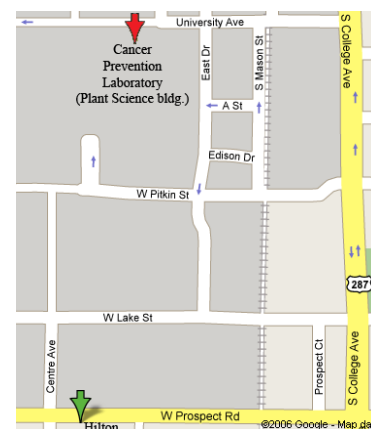

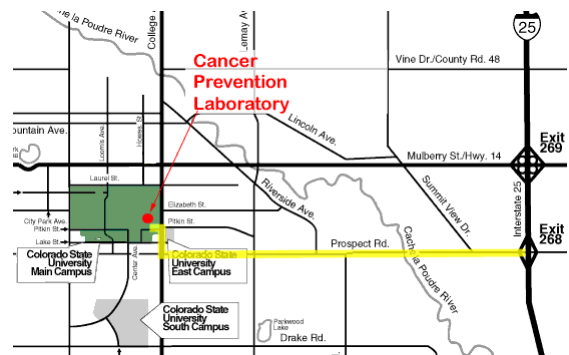

**Options:**

1. Park in the metered parking spaces across the street (north) of the Shepardson bldg.
2. Continue west on Mason St., immediately after passing the 2 large gray planters in the middle of the road with the sign that says “do not enter”, turn left into the loading zone at the end of the Plant Science bldg. Call John McGinley or one of the other staff members and they can give you a hang tag to for parking in areas designated as “A Parking”. Hang parking permit on windshield mirror; please be sure to scratch off the current day, month and year. Do not park in any “F” lots (federal lots) or your car will be ticketed and/or towed.

The Cancer Prevention Laboratory (CPL) is located in basement of the Plant Science building (307 University Ave.), just west of the Shepardson bldg. Please see page 2 for a detailed campus map and page 3 for contact info and the floor plan of the Plant Science building.
